Contd..

The College Council shall serve as the chief academic policy advisory body in matters relating to academic budgeting, curriculum revision and development, academic program planning, faculty personnel matter, academic standards, the graduate program, and faculty research.

The College Council shall also function as the forum for the final review and discussion of policies, procedures and practices that involve collaboration and coordination among and between the departments and divisions. The College Council shall also organize interdepartmental meetings like grand rounds, statistical meeting and clinic-pathological meetings.

The Council shall meet as frequently as possible at least once in three months.
